Bulletin 3

The Entry Form for the 2014 National Meeting is now available from the
Gold Coast MG Car Club's Website...

www.goldcoastmgcarclub.com.au

We've made a few changes to the format of the meeting. The program is as follows:-

- Friday: Noggin & Natter c/w Rocker Cover Racing
- Saturday: Concours
Free Night
- Sunday: Touring Assembly through Byron Hinterland
Theme Night - **The Age of Aquarius**
- Monday: Touring Assembly through Ballina / Lismore Hinterland
Presentation Dinner.

The event is being run under a CAMS Permit however due to the nature of the event, CAMS Basic Licenses are **not** required.

Also remember that for the Concours this year for the first time at an MG National Meeting we'll be using consensus or peer judging. Something else you'll notice when you register is that we've restructured the traditional classes. So please take note when you're registering to ensure that you're in the correct class.

Also on the Website you will find the Regalia Order Form. Please pre-order, as regalia will not be available at the meeting.
