

## BULLETIN #5

### THE GOLDEN JUBILEE MG NATIONAL MEETING

#### 2019 - REDLANDS QUEENSLAND

February 2019

#### **Welcome to Bulletin #5.**

With only 2 weeks till our closing date of March 8<sup>th</sup> and only 8 weeks till the Easter event, we are working hard to make this 50<sup>th</sup> Golden Jubilee particularly memorable. With our Time Travel theme, and the additional interest of 50 years of event photos and posters, this is an MG National Meeting NO-ONE will want to miss.

There are a few matters to clarify:

#### **Demonstration Category (MGs without MG or silhouette engines)**

For this National Meet we have added a non-competitive demonstration category. This is for MG vehicles with modifications which place them outside the criteria of the classes A to ZG and normally would exclude them from participating. The vehicle must use either a MG chassis or unitary body where the power unit is not a MG or silhouette engine such as a Honda engine in a MGA or a Ford engine in a MGB. These demonstration vehicles will **NOT** score points for their club towards any perpetual trophies nor will they be eligible for class awards. The standard entry fees still apply, and they will be allowed to enter all events the same as all other entrants. Before entering in this category please confirm eligibility by contacting Matt Johnson at [mdj78@outlook.com](mailto:mdj78@outlook.com) with details of the vehicle.

#### **Regalia**

A limited range of regalia is available for ordering. We have chosen loose shirts and hats as being appropriate wear for Sunny Queensland. Pictures of the regalia and the Order Form are on our website [www.mgnationalmeeting.org.au](http://www.mgnationalmeeting.org.au) Note that Regalia orders close on Friday 8<sup>th</sup> March.

#### **Single Event Licences**

There has been a fair amount of confusion regarding CAMS licences for the meeting. What we were advised, and what we were quoting on the Registration page has proven to be out of date, and in some cases – horribly wrong! Those of you that already hold a Speed or Non – Speed licence are OK, it is only those who applied for a Single Event licence that have caused us a problem.

We erroneously offered a L1 single licence for \$25 which only covers come-and-try days, and this is not appropriate for our event.

A Non-speed licence is required for the Observation Run and the Motorkhana, and these are only available on a yearly basis – that is, there are no single event licences.

A Speed licence is required for the Hillclimb, and these are available on a yearly basis, or as a Single Event. So, to simplify matters, we are only offering a Single Event Speed Licence, for \$90, which will cover all events over the weekend. Some of you have already paid for a licence that we may not be able to offer. So, we are working through the list of entrants to see what we can do to correct our mistake. We will advise you if we can identify a problem with your registration.

Licences will be available at the CAMS desk at Registration on Friday 19<sup>th</sup> April.

### **Seat Belts**

Refer to Schedule I of the CAMS manual, particularly tables I1 and I2. For the Motorkhana, the minimum requirement is a lap belt (type D). For the Hillclimb (Speed Event) the minimum requirement is a lap sash belt (type C).

### **Partners to be entrants**

Whether you are a Competitor or Social registrant, if you are bringing a partner then he/she must be a registered entrant also.

### **CTP extension**

NOTE: All Queensland road registered cars (Trade Plates are not acceptable) must have an original 3rd Party extension certificate on their current Qld Transport Registration provided by the 3rd Party insurer, specifically covering the days of each competition (20<sup>th</sup> to 22<sup>nd</sup> April inclusive). Failure to provide this requirement by Qld State Government will result in your entry being refused at administration check.

### **Photographic competition**

Refer to section 17.2 of the Supplementary Regulations for eligibility requirements and submit your photos at Registration on Friday 19<sup>th</sup> April.

**The MG Car Club of Queensland invites you to come and help us celebrate 50 years of National Meetings in naturally wonderful Redlands at Easter 2019.**

Regards,

Don Webster  
Event Director.
